SUPPORTING DECLARATION OF PERRY CLARK

I, Perry Clark, declare as follows:

1. I am an attorney admitted to practice in the State of California and the United States District Court for the Northern District of California, and am an associate at Weil, Gotshal & Manges L.L.P., attorneys of record for Lexar Media, Inc. The matters referred to in this declaration are based on my personal knowledge and if called as a witness I could, and would, testify competently to those matters.

2. The factual representations made above in the above Stipulation are true. The parties have been actively engaged in discovery and, in particular, the parties have been actively preparing for and taking depositions in the United States and in Japan since September, 2005. In recent weeks, the parties have met and conferred and agreed that the schedule in this case should be extended by four weeks, as requested above, to permit the orderly completion of fact and expert discovery and to prepare for mediation and any dispositive motion practice.

3. There have not been any prior modifications to the Court's June, 8, 2005 Scheduling Order. The requested extension of the schedule will extend the various dates in the schedule by approximately four weeks.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct and that this declaration was executed on February 2, 2006 at Redwood Shores, California.

/s/

Perry Clark
